

QUBE WORKERS

Don't sign away your protections!

Don't let Qube undermine you and your union!

Ignore any company propaganda that convinces you to work against your best interests, the MUA is the default representative:

**CHUCK
IT IN
THE BIN**

QUBE WANTS YOU TO SIGN YOUR UNION AWAY WITH THE STROKE OF A PEN.

- No good faith bargaining
- No Part A negotiations just a race to the bottom with single agreements
- No consultation over mutually agreeable bargaining dates with Qube

WHAT YOU NEED TO DO.

- Don't fill in any Qube forms regarding bargaining – The union is your default bargaining representative
- Don't respond to Qube regarding their unilaterally set dates – The union will be responding on behalf of all members
- Only attend EBA meetings with an official of the union
- Call on Qube to maintain the national bargaining approach

**IF WE GET IT RIGHT WE WILL WIN
– OUR STRENGTH IS IN
COLLECTIVE BARGAINING.**
