Attention: Dr Eugenio Selman

Dear Dr Selman,

The Tas Bull International Aid project, set up by the Maritime Union of Australia (MUA) in recognition of Tas Bull's international aid work and his work with William Soler Children's Hospital, is donating \$10,000 towards your hospital.

The money was raised by a Silent Auction, held at MUA National Conference 2012. Many people donated items and gave their time to this worthy cause.

We hope that this ongoing donation goes a some way to assist in purchasing much need equipment for the hospital.

Yours Sincerely,
